Progressive Tournament Statistics

As of:

Week 17

Week #17 : $132
Progressive Added: $43
Progressive Pot: $814

Total Cumulative Payout: $2,336

A difficult week for the NFL. The cancelation of last Monday Night's football game caused chaos for the weekly results, however, had little effect on the progressive standings.

John Philips looks to glide into an easy victory next week as his lead remains at 5 with only one week left. He is destined to win the nearly $850 pot. Chances remain for you to win your share of the over $2000 of winnings this year.

Thanks for playing the most popular, for entertainment purposes only, NFL football pool in town.
