

NFL Pick'Em 2022-23

Progressive Tournament Statistics

As of:
Week 3

Week #1 : \$135
Progressive Pot: \$95

Very little movement as ties still dominated this week. As the progressive tournament moves on the ties will slowly spread apart and the heat is on. Even if you miss a week, remember with 40 people playing a \$5 investment can bring you a 28x return on your investment. Not bad. Join us any Sunday at Mike's Global Grill.
