

# NFL Pick'Em Mike's Global Grill

Week #3

**Week 3 Payout: \$100**  
**Current Progressive Pot: \$105**

The third week came down to Monday Night Football once again. This time pitting Anita and Keri against each other with twelve wins and guaranteed tie for first with a Dallas victory.

A Philadelphia upset would have left us in a five way tie for first place with the weekly champion determined by tiebreaker. Dallas came through with a solid win leaving Anita and Keri to determine the winner through the tiebreaker. Anita wins week three picking only 12 points off the combined score as compared to Keri's 29 point differential.

Don't miss the action, win your share every week, while participating towards the progressive prize.

Week #3 brings the progressive pot to \$105. Week #4 forms available now online and at Mike's!
